HMO - HOW TO FIND A PRIMARY DOCTOR AND/OR DENTIST

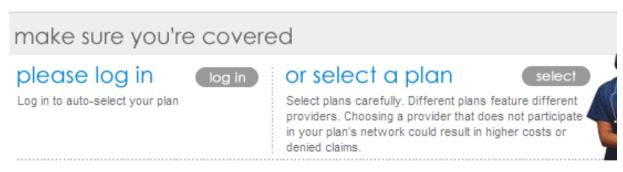

Blue Shield, NetValue, Kaiser & DeltaCare

Employees enrolling in a CalPERS HMO Plan and/or DeltaCare HMO, must elect a physician or medical group and/or dentist. The following are instructions to locate a provider for the above-referenced plans.

CALPERS BLUE SHIELD HMO & NETVALUE HMO

https://www.blueshieldca.com/fap/app/search.html

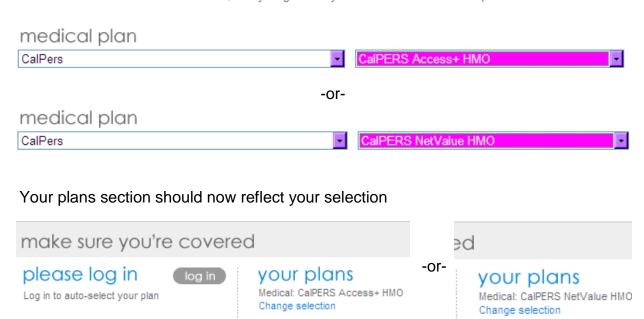

Find a Provider

Select a plan: Access+ HMO -or- NetValue HMO

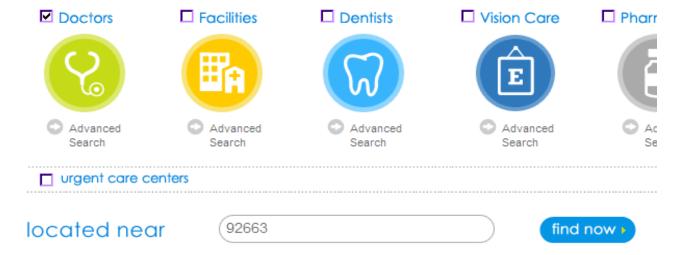

Select Your Plan

Please select plans carefully. When making appointments, confirm your provider accepts your health plan - failure to d costs or denied claims. For best results, always log in with your member username and password.

Select "Doctors" and enter zip code, "find now"

provider types

KAISER HMO

You are not required to elect a Physician/Medical Group if you are enrolling in a **Kaiser HMO** plan.

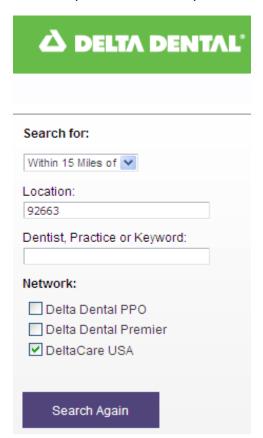

DELTACARE HMO

www.deltadentalins.com

Select, Find a dentist

Select a plan and enter zip code, "search"

** To research plan information or providers for all other plans **

The links provided above will direct you to the carrier's main page and you can research additional information if you like.
